
The Worthington family hosts world-renowned Pianist Francesco Attesti

Karen and Tom Worthington of the Worthington Law Centre have the privilege of hosting Francesco Attesti of Cortona, Italy for a private concert in their home to benefit Santa Lucia Rotary Club's joint charitable venture with the Rotary Club of San Antonio-Miraflores, Lima, Peru's – Happy Homes Project –Joining Hearts.

The Happy Homes Project is to aide in developing a shelter for girls ages 6 to 18 who have been sexually abused and are living in extreme poverty. At present, these young girls are provided with very limited accommodations, food, clothing, education and psychological support.

The Worthingtons are committed to helping the Santa Lucia Rotary Club and their partner in Lima raise the funds necessary to bring this plan to fruition with

the help of grants from the Rotary District and Rotary International. The goal is to raise \$70,000 to expand and make improvements to the existing shelter, thus providing the girls a safe and comfortable place to call home.

“This project will mean so much to these deserving girls and is truly an amazing way to bridge our community with a community a world away,” said Santa Lucia Club Rotarian Karen Worthington.

While this event is sold out, interested parties can still contribute to this worthwhile charitable program of the Santa Lucia Rotary Club of Salinas. Donations can be directly made to the Santa Lucia Rotary Foundation and mailed to 215 West Alisal Street, Salinas, CA 93901

“It gives me and the entire family at the Worthington Law Centre such joy to be able to take part in something that will surely change lives,” said Tom Worthington.
